THE NEW COLORADO COLLEGE PLAN

DEAN LOVITT

of the Faculty the Guide, Counsellor and Friend of Each Individual Student."

From the time that the entering student sets foot upon our campus, an attempt is made by members of the Faculty to ascertain his chief aptitudes and interests and to direct and assist him in the development of his own latent powers.

The first two years of the college course have been reorganized as a single unit—the School of Arts and Sciences—and a new degree, "Associate in Arts," is awarded at the conclusion of this period to all who have satisfactorily completed their work up to that point.

At the opening of the Junior Year, students who satisfactorily meet the entrance requirements are admitted to one of three advanced schools: the School of Natural Sciences, the School of Social Sciences, the School of Letters and Fine Arts. The Bachelor's degree is awarded upon the completion of two years of work in the field of the student's choice, culminating in a comprehensive examination in the field of chief interest; the Master's degree upon the completion of an additional year devoted to post-graduate study.

THE NEW COLORADO COLLEGE PLAN

Under this arrangement, the first two years at Colorado College under the New Plan provide the broad basic foundation in the Liberal Arts and Sciences; the next two years are devoted to concentration within a single field; a fifth year may be profitably employed in specialization in a single subject.

Under the New Plan, the normal academic work being carried by a student is four courses per year for the four undergraduate years, each of which is designed to occupy approximately one-fourth of the student's interest and effort. It is anticipated that each entering student will endeavor to determine at the outset of his college career which of the three advanced schools he plans to enter. He will then be asked to pursue one subject from the general field represented by the work of this school through each of his first two years in college and to elect during the same period one course for a single year in the work of each of the other two schools. The remaining four courses may be selected on the basis of his interests and needs from anything offered by the School of Arts and Sciences, with due regard for the specific entrance requirements which may be set for admission to the advanced school which he plans to enter.

During his Junior and Senior year, a student at Colorado College will hereafter be expected to elect about one-half of his work, ordinarily four of the eight courses, from the subjects taught in the School of his choice.

The New Colorado College Plan is an attempt to bring together into a new experimental whole the various successful experiments in detail, applicable and suitable to a college of our type. It is the first plan of its kind in a purely liberal arts college.

The entire Faculty of the College will give instruction in the School of Arts and Sciences. The work of this school deals with the undergraduate in his first two years of college work. Satisfactory completion of the two years work in this school entitles the student to the degree of Associate in Arts. This school primarily serves two purposes. First it provides for the student who does not intend to pursue studies in the advanced schools of the College or in professional schools, and secondly it serves most effectively that larger number of students who expect to enter one of the advanced schools of the College or some technical or professional school of a university. A great deal of freedom is allowed the entering student in selecting his own course of study.

ASSOCIATED STUDENTS OF COLORADO COLLEGE

The governing body of the Associated Students this year has introduced radical changes in the program to correct the present fallacies. Several amendments have been made to the A. S. C. C. constitution including the creation of a financial director, laws governing class elections, and the creation of a publications board.

For the fourth year a delegate was sent to the conference of the National Student Federation of America. Marion Deutsch, a junior on the council, represented Colorado college at the convention held in Cleveland, Ohio, during Christmas vacation.

The council has also considered the advisability of placing the student funds in the hands of a graduate manager. It has been the aim of the council this year to make the workings of the Associated Students more efficient and to control finances more closely.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association is made up of all students residing in the halls. The purpose of the organization is to secure cooperation and fellowship among the girls. The governing body consists of a president and an executive board representing different halls and classes, and chosen by the students. The house boards are made up of the officers of the individual halls. Student Government tries to make dormitory life as pleasant as possible for the girls, and to carry this out, it takes the lead in all social activities conducted within the houses.

MANAGERS

JUNIOR PROM: Walter Knodel and Everett Stapleton staged the Junior Prom for the class of 1933.

VARSITY JUBILEE: The annual all-college party, the Varsity Jubilee, consisted of bridge and dancing at the Broadmoor Nite club and was followed by something to eat and a theater party at the America all in one evening. Bob Hibbard and Hartley Murray were co-managers of this affair.

JUNIOR FARCE: The Junior class and Koshare went together on this production, producing it jointly. Dave Scott was the representative of the Junior class.

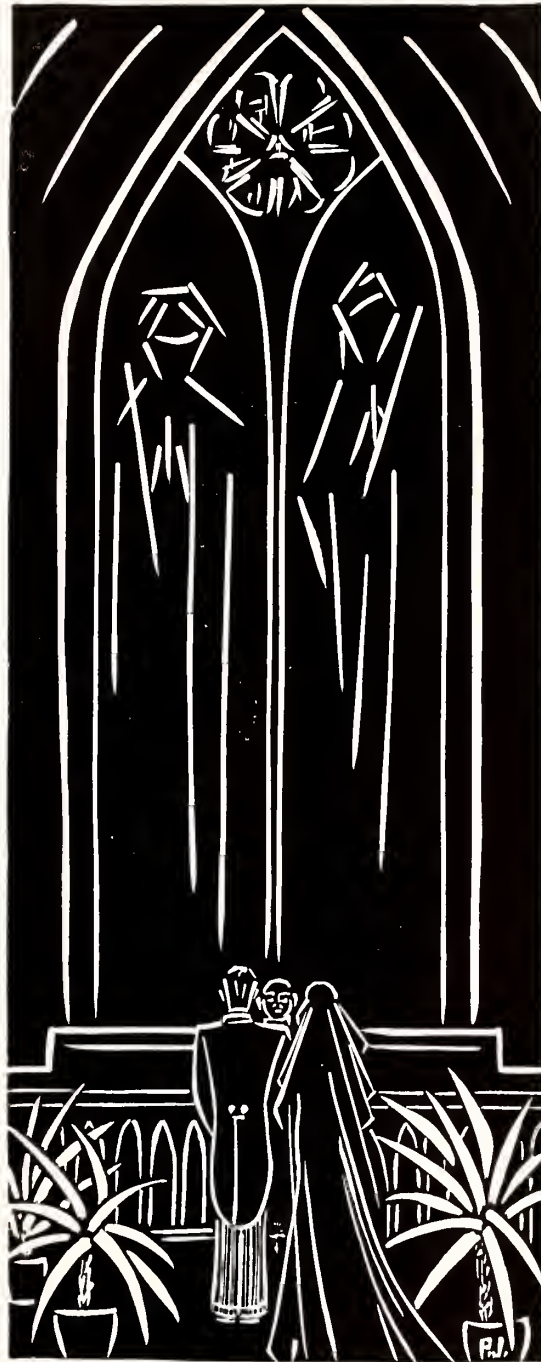

ENTHUSIASM COMMITTEE: Don Haney handled the organization of parades and other demonstrations by the students.

TRADITIONS COMMITTEE: Traditions were successfully handled this year by Art Baylis. He had charge of looking after the habits of the frosh on the campus.

MAGNA PAN PAN: Bob Hibbard and Don Smith were co-managers of Magna Pan Pan, the annual college vaudeville and local talent show, staged just before Christmas vacation.

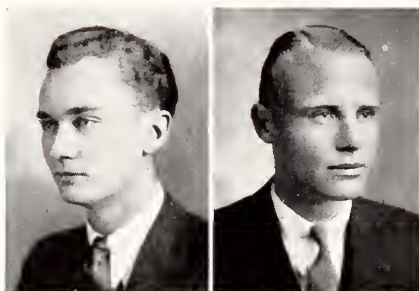

HOMECOMING: Dave Scott had charge of the parades, pep-meetings, and student hospitality for the returning alumni.

SENIOR PLAY: Guy Martin handled the senior play for the class.

Miss Colorado College was selected on a basis of popularity and personality as judged by student vote and a faculty committee consisting of Mrs. R. T. Montgomery, Professor H. E. Mathias, and Arthur G. Sharp, Jr.

The **Most Popular Athletes** were selected by student vote. The two appearing in this section were nearly tied and far in the lead.

The twelve **beauty contestants** were selected by student vote and final selection was made by Mrs. Irving Howbert, Mrs. Cady Daniels, Mr. Tabor Utley and **Viola Dana.**

Honorable mention was given to Miss Sally Tompkins and Miss Patricia May.

THE NUGGET

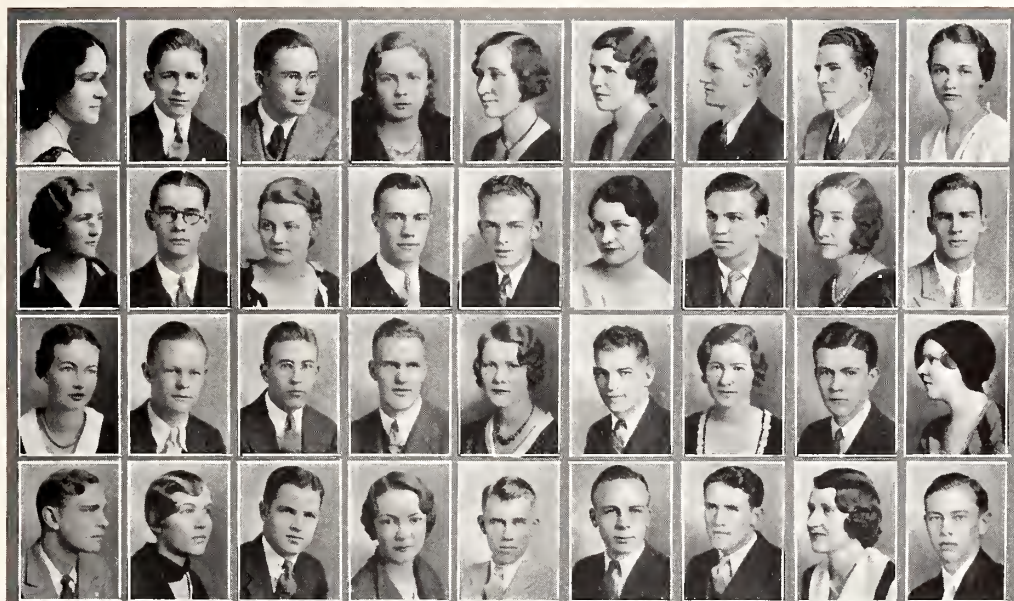

The Pikes Peak Nugget, official yearbook of Colorado College, is published annually by the Junior Class. The Editor and Manager are selected by the Associated Student Council after they have completed two years of commendable work on previous Nuggets. Although this book is the property of the Juniors, anyone is eligible for staff positions who is willing to do the work.

The Editor and Manager, with the help of their competent staffs, have made every effort to record accurately the events of the past year and to run between the lines a suggestion of the appeal of our own particular campus and a bit of the sentimentality with which we will remember our undergraduate days.

In view of the changes and improvements which mark this year at Colorado College we have hoped to make this Nugget a resume and a record of the foundations upon which the Greater Colorado College is being built. In submitting this book to the students, we hope that it will become more and more valuable as you grow farther away from old friends and college days.

We take this opportunity to thank the members of the Nugget staff, without whose wholehearted help and cooperation the production of this yearbook would have been impossible.

COLORADO COLLEGE TIGER

This is the third year that the *Tiger*, weekly publication of the college, has been issued in the form of a news magazine.

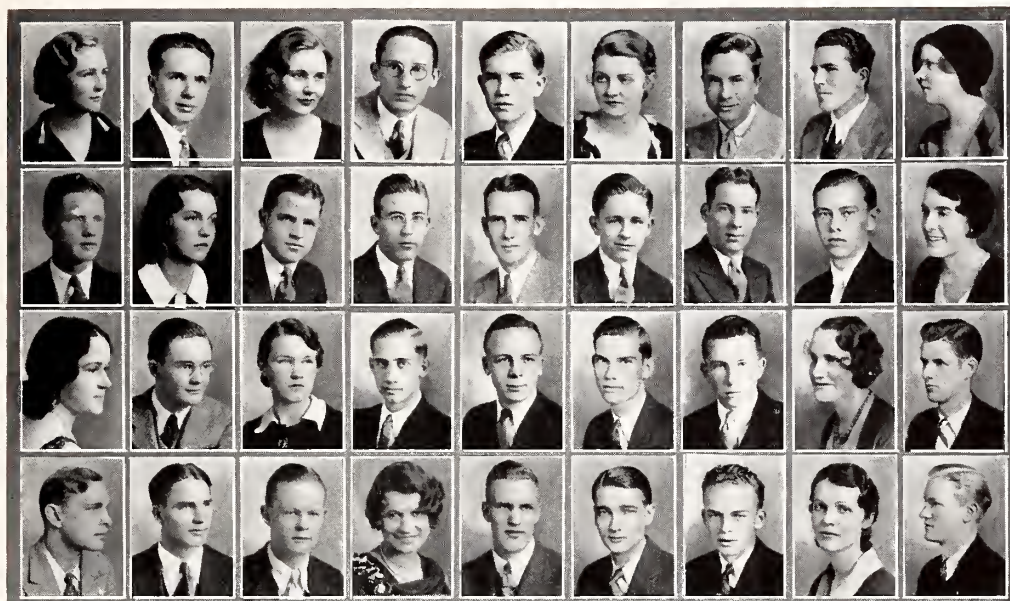

It has been the concerted effort of this year's staff to give the student body all of the news, to include all campus organizations, and to foster co-operation among all campus activities, in accordance with the desires of the college administration.

This year a news staff composed of three members of the staff met regularly every Monday to collect news and distribute it to the reporters. An earnest attempt has been made to keep the paper clean and up to the highest standard.

Each spring the editor and manager are elected by the Associated Student council with the editor assuming his duties following Spring vacation and the manager taking over his duties in the fall. Anyone interested in journalism or in working on the college paper is encouraged to do so—the only requirement being faithfulness in completing assignments.

Marvin Russell will edit next year's paper with the manager still to be selected.

HANDBOOKS

The Student Handbook was edited by "Twick" Grant this year. The book is of especial value to Freshman and other entering students as well as a handy reference book for all those in any way connected with the college. It is published in the fall every year by the Associated Students of the College. It contains information regarding various campus organizations, activities, customs, and traditions of the college. It is commonly known as the "Frosh Bible."

The A. W. S. Handbook was edited by Martha Erwin and Ruth Edwards. It is compiled by the Associated Women Students of Colorado College. Its purpose is to serve as a guide to those organizations and activities in which the women of the College are primarily interested.

THE ARTS

The PIKES PEAK NUGGET

DRAMATICS

The year 1931-32 proved the most successful in every respect in the history of Koshare. Eight major bills were presented, a list of which will be found at the end of this article. Student interest increased greatly, and the interest of townspeople, as indicated by their attendance at the performances, also showed marked improvement.

The year's production embraced a wide variety of technique, both in characterization and in stage work. Especially was there a highly commendable improvement in stage settings, and in stage craft in general, due to improved equipment in Cogswell Theatre, and knowledge of the technical crews.

Most outstanding of the year's production was the "Black Flamingo," which was greeted by enthusiasm both by the audience and the company. Twenty-seven people were maneuvered on Cogswell Theatre's tiny stage, during the climactic scene in the third act. The final scene of the second act was especially well done.

"Anna Christie," the November play, was full of technical difficulties of stage craft which were so ably surmounted that it required only four minutes to change the sets between each of the four acts. The demands made by the play upon the three principal actors are well known, and were ably met and surmounted by Miss Eastman, Mr. Gray, and Mr. Barres.

DRAMATICS

The annual Christmas performance "Eager Heart" was said to be the most reverently beautiful in the twenty-two years of its production in Colorado College. New costumes and lighting aided the actors in achieving the mystic symbolism of the Christmas Spirit.

Koshare again entered the State Little Theatre Tournament in Denver presenting the "Giant Stair."

The following plays were given during the year 1931-32:

MR. PIM PASSES BY, *A. A. Milne*, Oct. 7th and 8th.

THE TORCHBEARERS, *George Kelly*, Nov. 5th and 6th.

ANNA CHRISTIE, *Eugene O'Neill*, Nov. 18th and 19th.

EAGER HEART, *E. Buckton*, Dec. 13th.

THE BLACK FLAMINGO, *Sam Janney*, Feb. 17th and 18th.

HOLIDAY, *Philip Barry*, Mar. 16th and 17th.

THREE ONE ACT PLAYS, April 13th and 14th.

LIGHTIN' *Bacon and Winchell*.

DEBATING

Once more the Colorado College debate teams have demonstrated their reasoning and fluency before a large number and a great variety of audiences. The entire squad took part in debates in the Colorado Conference in Boulder in March. A number of home debates were given before open-forum, fraternal, and luncheon-club groups.

Coach Copeland took three men on a 4000 mile automobile trip during March and April. Fourteen debates were scheduled on questions pertaining to Centralized Control of Industry, Government Control of Hydro-electric Power, and Prohibition. The Colorado college debaters were entertained by teams representing some of the best colleges and universities in the South. Because the "C. C." debaters had debated in all other parts of the United States in recent years, this trip was limited to the South-Central States and the Old South.

The men who made the long trip were Roland Anderson, Arthur Baylis, and Alex Daughtry. Plans are already being made for a debate trip for the women debaters in 1932-33. There is also a chance that Colorado college debaters may entertain a team from Great Britain in the fall.

CHAPEL CHOIR

Provision was made in the Shove Memorial Chapel for a Choir not to exceed sixty voices. Mr. Frederick Boothroyd, the organist of the Chapel, was secured as director.

The members have shown a great deal of interest and enthusiasm and they as well as Mr. Boothroyd should be commended for the progress they have made since the Choir was organized in September.

Rehearsal is held twice a week, and includes voice training, short lectures on the fundamentals of music, and lessons in harmony.

The Choir sings at the regular Tuesday Chapel Services, the monthly Vesper Services, and special College Communion Services. Attendance throughout the year has been unusually good.

One half a credit is given for two years regular attendance in the Choir.

With the new members expected in the fall, the balance of the voices will be improved and we will have the finest of Chapel Choirs.

BAND AND ORCHESTRA

This year saw a revival of the Colorado college orchestra under the direction of Charles Bybee, a graduate of the Eastman School of Music. A concert was given late in February and a large crowd attended. The orchestra was composed of 26 pieces.

The Tiger band is under the direction of Fred Fink. The band was loyal and led all of the parades besides playing at home and out-of-town games in both football and basketball.

Both of these organizations are open to anyone interested in music and everyone is encouraged to join who can play an instrument—the only requirement being regular attendance at rehearsals.

ALL COLLEGE

The PIKES PEAK NUGGET

HOMECOMING

Several hundred grads returned to their Alma Mater again this year to chew the rag, indulge in a hand shaking fest with the old cronies of college days, and see the Tiger face the Utah Redskins in what turned out to be the battle of the century.

The Homecoming celebration opened Friday night with a big bonfire and a rousing pep meeting. On Saturday morning the traditional Homecoming parade was staged through the downtown avenues stirring up pep for the game.

Although the fighting Tigers came into Cossitt on the short end of a 28-6 score, everyone went home well satisfied with the cost of admission and feeling that the Black and Gold had won a moral victory if not the game by points.

Following the game President and Mrs. C. C. Mierow were at home for the returning alumni and friends of the College. A large number attended the luncheon at Bemis Hall at which time

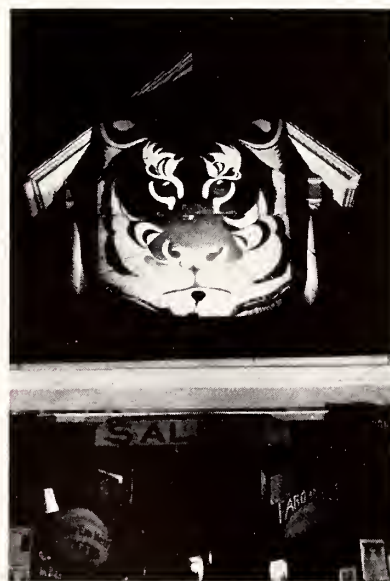

The PIKES PEAK NUGGET

HOMECOMING

it was announced that Mrs. F. M. P. Taylor had given to the college a new building to be built on the present Broadmoor Art Academy site. This building is to house a little theater with a 500 seat capacity, and class rooms and art galleries for the art students. It was also announced that Mrs. Taylor had given to the college money to build a new library north of the present site of Coburn.

With all of the fraternity houses decorated, the campus held the festival aspect. First prize in the house decorations went to the Phi Delts, with the Phi Gams taking second place and the Kappa Sigs receiving honorable mention. In the float contest held during the parade Contemporary won in the society division and the Sigma Chis won first among the fraternities. The societies and fraternities all held breakfasts and buffet suppers and in every way the annual Homecoming celebration was a success. Dave Scott was in charge of all arrangements.

CRESCENT CLUB

CONTEMPORARY

MAGNA PAN PAN

The annual Magna Pan Pan was presented to the student body just before the Christmas vacation. Bob Hibbard and Don Smith were co-managers of this year's Pan Pan and in the efficient way that it was handled the managers deserve a lot of credit.

All of the acts were full of amateur drama and home talent and every act was an outstanding hit. Music for the show was furnished by Bob Shonsby's band. The show was well worth the small admission charged to defray expenses.

The Phi Delts through their singing in an act entitled "Fraternity Food and Foolishness" walked off with first prize in the fraternity group. The Betas placed second with their clever portrayal of a circus sideshow. In the society division the Zetaethians' act of dancing dolls won the judges' approval and they were awarded first place. Hypatia was second with an act entitled "Helpful Hits and Hints." Contemporaries' cowboy stunt was also one of the outstanding hits of the show.

The actors were greeted with an overcrowded house and every number on the program brought forth laughs from the audience.

COLONIAL BALL

The Colonial Ball is a traditional event sponsored by the Sophomore class, and open to all women of the college. It has been an annual event for about thirty-five years, and is one of the few strictly feminine affairs on the campus. The feature of the evening is a Minuet in which sixteen girls take part. Elizabeth Gillett and Ruth Edwards danced a Givotte. The girls in the Minuet were Lucile Maxfield, Bertha Maxeiner, Mollie Marriage, Vida Elsner, Pauline Johnson, Evelyn Richter, Helen Margaret Shaw, Mary Strang, Katharine Templin, Clara Hacker, Dorothy Christenson, Mary Elizabeth Southard, Dorothy Frye, Rose Azar, Marguerite Dixon, and Weltha Foster.

The Ball was under the general direction of Elizabeth Gillett. A number of new costumes were completed by Margaret Kirby and Evelyn McIntire. Others who served on committees were Alice Hersom, Bernice Faught, Mollie Marriage, Bertha Maxeiner, Edna Harlan, and Ruth Edwards.

JUNIOR PROM

The annual Junior Prom was held this year on Friday evening April 1, at the Broadmoor hotel. This is the only all-college formal of the year and is staged by the Junior class. Everett Stapleton and Walter Knodel were the managers of the party.

An added attraction of the affair is the beauty parade at the intermission. This year the judges selected one coed for the title of "Miss Colorado College." Judges for the beauty contest were Mrs. William Howbert and Mrs. Cady Daniels, Tabor Utley, and Profs. H. E. Mathias, Arthur Sharp, Jr., and Mrs. Ruth T. Montgomery were the judges for the selection of "Miss Colorado College."

A. W. S. COSTUME BALL

The annual A. W. S. Costume Ball was held in Bemis commons October 30, 1931. This is one of the important social functions of the year for all the girls in school.

A great variety of costumes were in evidence. The prize for the most beautiful costume was awarded to Laura-Eloise Lilley, while that of the most original was divided between Rose Helen Torbit, and Margaret Wolever.

A. W. S. sponsors many such entertainments throughout the year. Several teas with very interesting programs have been held, and an All-College dance was held in April.

Varsity JUBILEE

The Varsity Jubilee, a comparatively new tradition at Colorado college, was organized to supplant the All-College picnic and is in its fourth year. The Jubilee is one of the affairs on the social calendar that is featured as being "all-college."

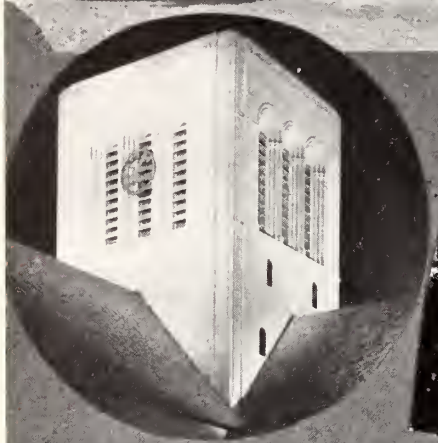

This year the crowd assembled at the Broadmoor Nite club at 7:00 o'clock to play bridge, and following this was dancing at the same place from 8:00 to 10:15 o'clock. Refreshments were served at the McRae restaurant and the final feature of the evening's entertainment was a theater party at the America Theater. Everything was run off precisely as it was planned and everyone had an enjoyable evening. The managers for the Varsity Jubilee this year were Bob Hibbard and Hartley Murray who were selected by the Associated Student Council.

The Pikes Peak Foresters' club is composed of men majoring in Forestry and was organized several years ago to foster good fellowship among those interested in the subject. The Foresters are thrown into closer contact with one another than students in any other department, especially during their junior and senior years, when they spend twenty-six weeks each year at Camp Colorado in Manitou Park studying the practical side of forestry. During the past year the club has enjoyed several reels of film obtained from the U. S. Department of Agriculture and has had some of the rangers and other foresters stationed in the Pikes Peak area talk to them. The club is under the supervision of Profs. Gordon Parker and J. V. K. Wagar of the Department of Forestry.

SUMMER SCHOOL OF SURVEYING

The 1931 Summer School of Surveying was held during the month of June under the supervision of Prof. Frank M. Okey. The Summer School is held each June at Camp Colorado in Manitou Park, eight miles north of Woodland Park, Colorado. It consists of about 10,000 acres, a gift to Colorado college by General William Jackson Palmer and Dr. W. A. Bell. This gave Colorado college the distinction of being one of the few schools in the United States owning its own field laboratory for surveying and forestry work. With the discontinuation of the School of Forestry at Colorado college, Camp Colorado will be used exclusively by the Civil Engineering department for surveying work during the summer months.

Twenty-five students, comprising members from the Civil, Geology, and Forestry departments, contributed to the success of the camp, both in the quality and the quantity of work done. This work consisted of plane table surveying, railway surveying, and topographical drafting. The office work, done at night, was largely of drawing maps and making computations from the field notes of the day's work. Recreation consisted of baseball, horseshoes, hiking, and fishing. Everything combined to make the month a delightful one as well as educational.

COACHING STAFF

COACH WILLIAM T. VAN DE GRAAFF

Coach "Bully" Van de Graaff completed this year his sixth season as head coach and director of athletics at Colorado College. The fight the Bengals put up against the Army and the tribute paid to Van de Graaff by Army in scheduling the game bring to light the respect that "Bully" has gained in this conference and in other sections of the country. Being handicapped by extremely small squads and green material, hardly two full teams, Van de Graaff has built up elevens that have been feared on every gridiron in the Rocky Mountain Conference. The Tigers under "Bully's" tutorship have played fast tricky football and the fight that he has instilled in the team has made them one of the best gate drawers in the conference.

During his undergraduate days Van de Graaff played tackle for the "Crimson Tide" of Alabama, receiving All-American selection two years. After graduating from Alabama with a Phi Beta key he entered the United States Military Academy where he played three years in a tackle berth for the Army.

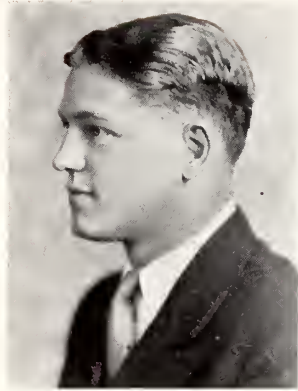

After serving his time in the U. S. Army he returned to Alabama as mentor of the Freshman squad, which he left to take up his new duties at C. C. six years ago.

COACH JO IRISH

Coach Jo Irish has coached the Tiger track squads for the past six years. In this time he has developed several conference winners. Jo has turned out real teams and during the past three years his squads have lost but one dual meet on Washburn Field in nine tries.

In his undergraduate days at the University of Illinois he was a star jumper. Irish holds such records as 24 feet for the broad jump, 6 feet 2½ inches in the high jump, and 9 4-5 seconds for the century.

The PIKES PEAK NUGGET

COACH CLARK

COACH "DUTCH" CLARK

"Dutch," after four years of college athletics that brought him fame and honor, returned to his Alma Mater to serve as head basketball and baseball coach. This is his second year in such a capacity. Last year he acted as assistant football coach, but due to professional football this year Clark was unable to be here.

While playing in a Tiger uniform "Dutch" lettered in every major sport, twice captained the basketball squad, captained the football squad, and in his junior year was selected All-American quarterback by the Associated Press scribes. "Dutch" played quarterback in the Shriner's East-West game in 1930 in San Francisco and was the most consistent threat on the Westerner's team. Due to basketball practice in his junior year he was unable to accept an invitation extended to him then. In track "Dutch" holds the National A. A. U. junior hammer throw championship, and participated as a member of the All-American track squad in the meet held with the All-British squad in Chicago in 1930.

After graduating from C. C., Clark played one season as a member of the outfield of the Pueblo Braves, members of the Western Baseball league. Last fall he earned additional fame in professional football, playing with the Portsmouth, O., team as quarterback. At the end of the season he was the league's high scorer and was picked as quarterback of the A. P. All-American professional team, the greatest honor a football man can receive.

COACH HOWARD WAITE

Coach Waite came to Colorado College as trainer and gym instructor. After a lot of hard work he succeeded in reviving wrestling, a long forgotten sport at C. C. This year Waite entered a full squad in the conference meet at Boulder and placed men in 175 pound and heavyweight divisions.

He came from the University of Illinois here after serving a short time as a "Y" director. His other duties besides acting as coach of the wrestling squad include those of trainer, head equipment manager, director of physical education for men.

WAITE

The PIKES PEAK NUGGET

BERNARD BUSTER

Buster acted as head line coach during the football season and developed a powerful front wall. He graduated from the University of Colorado last year and during his time there, was an outstanding football man, being named on several all-conference selections at a tackle position his last two years.

HARRY SPICER

"Spic" was an assistant football coach working mostly with the wings and the backfield men. After the gridiron season he took over the duties of coaching the "B" basketball squad until the beginning of the second semester. He was a member of the class of '27 C. C. and returned this year for additional work.

"DOC" HARRY W. WOODWARD

Dr. Woodward has looked after the physical condition of the Tiger squads for many years. He has made most of the trips with the squad and included the Army game in his itinerary this year. Dr. Woodward is a graduate of the Harvard Medical School and since his graduation has practiced here, looking after the Tiger athletes as a hobby.

COACH WALTER HUGHES

Coach Hughes has been connected with the Tiger coaching staff for five years. This past year he served as assistant varsity football coach. Before he has served as Frosh mentor and baseball coach.

"Walt" is a former Tiger football star, and also was on the receiving end of the famous Hughes-Hughes battery with his brother.

L. STARBUCK

The Tigers played exceptionally good football throughout the 1931 season. Probably the high light of the season was the trip east to West Point where the squad met the Army mule and held him to a 27-0 score.

The Black and Gold opened the conference with a 14-3 win over Western State. The following week the Colorado Farmers handed us our worst defeat of the year. The Teachers again proved a stubborn obstacle and it was only by hard work that the Tigers emerged victors 9-7. The Homecoming game with the "Redskins" on Washburn Field packed a season's worth of thrills in one afternoon, and the Utes were held to their lowest score of the year.

The whole squad was a bunch of scrappers and displayed this fight in every game. Graduation will take its toll this year with practically the whole line missing, but the remaining gang is looking forward to a great season next year. Freshman prospects look bright and with a host of the yearlings passing their hours it looks like a banner year for the coming season.

FRESHMAN FOOTBALL

A large squad of high school stars answered the first call for Freshman football. Coach Leo Roessner whipped them into a smooth functioning machine before the season was over. The job of the "Frosh" isn't to play games but to provide opposition for the Varsity. Night after night the yearlings practiced in order to furnish stiff scrimmage for the regulars. In several games played the full length of time the "Baby Bengals" romped on the Varsity.

Three games were scheduled with the "Frosh" squad winning all three. The D. U. Freshmen invaded Washburn Field for the opening game and were sent home on the short end of a 7-2 score. On Armistice day they swept the Mines Freshmen off their feet to win 45-0. In this game the Freshmen pulled a triple pass that would make any team look sick. It was good for a long gain and a touchdown. In the game with the Gunnison yearlings the "Baby Tigers" were able to score at will pushing over three touchdowns to one for the Mountaineer Freshmen. This game played at Gunnison late in November closed a successful season.

Western State 3

The season opened with a 14 to 3 victory over Western States. The Tigers used only three plays in this game, and had little difficulty in sending the Mountaineers home with the short end of the score. The Tiger forward wall was impregnable, and the boys from Gunnison were able to make but 15 yards from scrimmage in 60 minutes of play.

This victory proved little about the Bengals as the next week they suffered their worst defeat of the season. Four new men made their initial appearance in Tiger uniforms, Sabo, Funk, Carlson, and Mihalick. An injury to Jones' knee kept him on the sidelines until the Utah game.

Colorado Aggies 32

Colorado College's traditional foe, the Colorado Aggies, came to the Bengal lair to administer the worst defeat of the season, 32 to 6. The Aggies had little difficulty in scoring, and the half ended with the scoreboard reading 20 to 6. In the second half the Farmers pushed across two more touchdowns while holding C. C. scoreless. Statistics show that the game was not as lopsided as the score indicated, as both teams gained nearly the same yardage from scrimmage, but the Tiger secondary could not cope with the excellent passing game of the Farmers.

The C. C. offense was centered around Owens and Fries. Late in the second quarter a pass from Owens to Fries gave the Tigers their only score. The line played a steady game with the two Starbucks and McGrory outstanding.

Rated as the underdogs, the Tigers put up a splendid game in defeating Colorado Teachers 9 to 7. After being soundly drubbed the week before, the Bengals were doped to lose, but the Aggies defeat brought out defects that were remedied, and for the rest of the season C. C. played excellent ball. The Tigers pass defense was changed and the Teachers, noted for their passing game, were held to very few yards. The pedagogs were unable to gain through the line or around the ends.

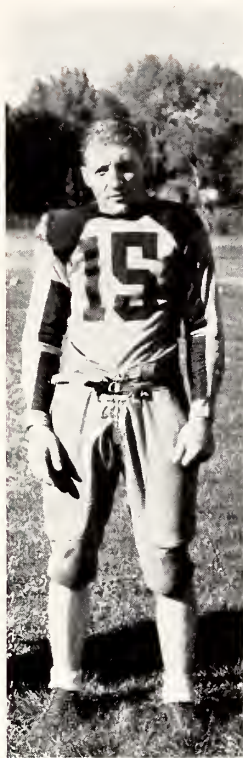

Fries was the outstanding performer of the day, his defensive and offensive work being par-excellent. Weidman played well in the line. This game showed a marked improvement in team play and was the turning point toward a successful season.

The Tigers made the longest trip in the history of the conference when they met the U. S. Military Academy at West Point on October 31st. Although doped to lose by an overwhelming score, the Tigers held the same powerful Army team that beat Notre Dame to a 27 to 0 score. Poor punting in the first half, which the Cadets took advantage of and turned into scores, cost the Tigers two touchdowns, and greatly boosted the Army total. Then C. C. started on their own thirty-yard line and made a concentrated march of fifty yards with the light Tiger backs, Owens, Pomeroy, Jones and Deutsch playing stellar roles.

The second period found the Tigers on the defensive, and with Roark, "Hap" Starbuck, and Reid playing sensationally, stopped the Cadets time after time. By their fighting spirit and courage against overwhelming odds, the Tigers attained the respect and admiration of the whole conference.

Utah 28

In a game termed by many to have been the best of the year, the Tiger team held the Utes to their lowest score in conference play, 28 to 6. Utah started as they had in their previous games and scored in the opening minutes of the first quarter. From then on the Bengals put up one of the best defensive games ever witnessed on Washburn field. They fought the Utes on even terms and it was only with great difficulty that the Redskins were able to put across their touchdowns. A pass, Owens to Fries, resulted in the Tigers' score. This put new spirit into the Bengals and from then on the Utes were outplayed.

This game brought out the fighting Tiger spirit, and "Swede" Roark and "Hap" Starbuck turned in their best game of the season. Reid and Hartman were also outstanding.

Starting off with a bang the Tigers completely outsmarted and outplayed the Pioneers to win, 9 to 2. A sneaker play after the initial kick-off worked to perfection and the Tigers were able to score in less than three minutes of play when deHolczer went over from the two yard line. The remainder of the game, after the first touchdown, was played on even terms. Denver's marches down the field were stopped before they reached the Tiger twenty yard mark by the strong Bengal forward wall.

Guy Martin was easily the outstanding man for the Tigers. He scored a field goal, and his punting kept the Pioneers in their territory. "Swede" Roark turned in an excellent defensive game as did Mihalick who substituted for Reid at center.

Playing in near zero weather on a slippery field the Tigers met defeat at the hands of their oldest rivals, Colorado University. Less than eight hundred faithful fans were in the stands for the game. The score 17 to 7 was the result of Boulder's greater reserve strength. The score at the half was 7 to 7.

deHolczer started the game off with a bang by running back the kick-off sixty-two yards, but a chance for a score was lost when the Tigers fumbled on the next play, and it was not until late in the second quarter that a pass, Owens to Deutsch resulted in a touchdown. Brilliant passing and a field goal gave C. U. the deciding margin in the second half. deHolczer played well for the Tigers as did the Starbucks, McGrory and Fries

Although getting off to a slow start the Tigers pushed over two touchdowns in the final period to defeat Colorado Mines 20 to 7. The game started off with numerous fumbles, and the first half consisted largely of punting until only a minute remained to be played when de Holczer shot a beautiful pass to Jones who galloped over the Miner's goal for the first score. The fourth quarter provided enough thrills to more than make up for the comparatively tame first three periods. Captain "Hap" Starbuck recovered a fumble on the Miner's 24 yard line and after three plays the Tiger again crossed the Oredigger's goal. Two plays later Reid, Tiger center, intercepted a Mines pass and raced sixteen yards for another touchdown. Mines then came to life and after a series of completed passes and runs, crossed the Tiger goal line for their only score of the game. Hartman, Pomeroy, Jones, McGory, Reid, Matheson, and the two Starbuck playing their last game under the Black and Gold all turned in excellent performances.

A large squad answered Coach Clark's first call for basketball, among which were seven letter men and a host of likely freshman prospects. The squad was divided into two groups with the letter men on one and the freshmen hoopsters on the other. The "B" squad was carried through until after the second semester, playing games with outside teams. "Spic" Spicer had charge of these men.

The Black and Gold quintet met their first real competition during the Christmas vacation when they played a two game series with Utah university, 1931 conference champions, losing the first game 45-28 and taking the second, 35-25. Ryerson, Glidden, and Sabo were the outstanding men in these games. The fast Piggly Wiggly team from Denver, came to the Tiger lair for the

last pre-conference game. The "Pigs" won in an overtime contest 32-29.

The Tigers journeyed to Denver for their first conference game, trimming D. U. 29-26. The two teams played a return game the following night here, with C. C. sending the Pioneer's home on the short end of a 26-19 score. The following week the Tigers played a game with the Teachers that fans will remember for years to come. With four minutes to go the Tigers held a one point margin that gave them their third conference victory in as many starts. Every man on the team played heads up ball to win 28-27.

On the next Wednesday and Thursday the Bengals boosted their standing by taking the Mountaineers 42-23 and 32-29. Four days later Coach Clark's men lost their first game to the Pedagogos at Greeley by a 22-17 score. The game was hard fought and the score stood 17-17 with three minutes left.

C. C. made it five wins and one loss the following week end by defeating the Aggies 35-25 and 39-32. "Rus" Sabo was high point man in both games adding considerably to his total. The Tigers were set to take the Cowboys the next week at Laramie. The Eastern division crown rested upon the outcome of this two game series. The Cowboys won the first night 33-21 in a scoring dual between Sabo and "Les" Witte. On the second night Witte led the "Plainsmen" with 20 points in a slaughter, 47-22.

Returning for home and home series with Colorado Mines the Tigers bolstered their standings on the conference heap by winning 35-22 at Golden and 36-22 the next night.

The traditional series with Boulder closed the conference season. Two wins would have enabled the Tigers to end the season in undisputed possession of the runners-up position. State won the first game 33-31 in two overtime periods. The Tigers were in the lead 25-12 at the halftime, but were able to score only six points in the final 30 minutes. The squad snapped out of it before a home crowd the following night to end the season with a 25-19 win.

The Bengals ended the season in a tie with Teachers, with 10 wins and four losses. Wyoming claimed undisputed first place with 12 wins in as many starts. Day, by his aggressiveness, was a favorite with the fans, and Livingston paired well with him. Juan Reid, playing his fourth year at guard, and Martin were two capable guards. Boothe and Harter were also strong defensive men. D. Hibbard, Patterson, Gleason, Jasper, and Le Masters were moved up to the "A" squad from the "B" squad. Following the close of the conference season the Tigers entered the A. A. U. tournament in Denver advancing to the semi-finals before being eliminated by Piggly Wiggly.

TRACK

The 1931 track season proved to be the most successful of any of the spring sports. The squad opened the season with a 95-45 win over D. U. on Washburn Field gathering in ten first places. At the Colorado relays held at Boulder the Bengal squad placed third behind C. U. and Aggies. On the

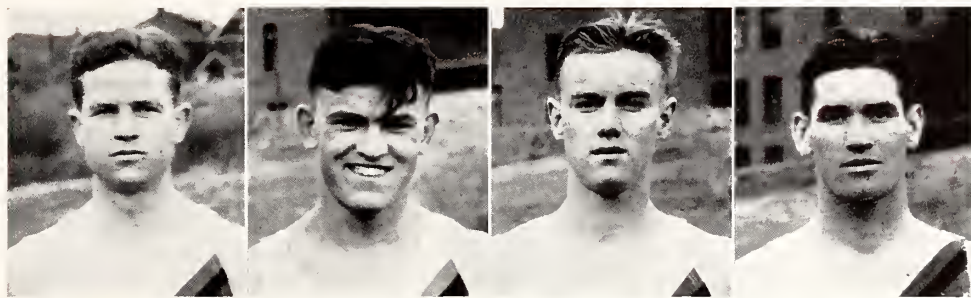

following Saturday the Tiger cinder men defeated Wyoming 90 2/3-49 1/3. A drizzling rain began early in the afternoon and continued throughout the meet to turn the track into a sea of mud. In the Eastern division meet the squad placed third. The Teachers fell before the Tiger track and field stars just before the conference meet when

the Tigers emerged victors 97-43 to make the eighth dual meet won out of nine during the past three years. In the conference meet the Black and Gold squad placed 8th to end a successful season. Captain "Chuck" Cogan led the squad and with Captain-elect Bill Haney these two men were strong in the 440 and 880. Both have one more year of eligibility and will graduate this spring.

The baseball squad was led last year by Bill Hinkley and coached by Coach "Bully" Van de Graaff. The Tiger batsmen played six games, the games scheduled with Aggies being cancelled on account of snow. Considering that the games were all played away from home, the team can be considered as doing fairly well, especially since baseball is dying out in the Rocky Mountain Conference and Colorado College. The squad was extremely small, but with this handicap they gave their opponents a good fight in every game. Owen Owens was elected at the close of the season to lead the base runners this year.

WRESTLING

Colorado college was represented by a wrestling team this year for the first time in ten years. Taking into consideration the revival of the sport, lack of material, and the limited meets, the 1932 season may be considered a success.

The squad was led by Captain Elvis Starbuck and coached by Howard Waite. Among the men on the squad were Leon Starbuck, heavyweight, E. Starbuck, 175 pounds, McClurg and Stapleton, 165 pounds, Middlestetter and Richards, 155 pounds, Derby, 145 pounds, House and Arnold, 135 pounds, Waite, 126 pounds, and Little, 118 pounds. Of these letters were awarded to, Captain E. Starbuck, L. Starbuck and Little. Bill Baker was student manager.

The first meet of the year was held at Cossitt with D. U. The Pioneers won 25-13. Little and L. Starbuck both won their matches by falls and Derby won a decision. Captain E. Starbuck lost an extra period match to Alspaugh, conference champion in the 175 pound class.

In the meet with Teachers at Greeley both of the Starbucks won their matches to make the final score 28-10 in favor of the Pedagoges.

Coach Waite took five men to the conference meet with the two Starbucks again placing. Both snatched third places in their respective divisions.

Four matches will be secured next year, it is hoped. These will be with C. U., Aggies, Teachers, and D. U. Only two men will be lost through graduation and with the remainder of the squad back Coach Waite should be able to produce a good squad for the 1933 season. Ed Little was elected captain at the close of the season for next year.

Squad, MURRAY, GRANT, D. SMITH, BOHON, BENNETT, BLODGETT

Captain Hartley Murray led the tennis squad through a fairly successful season. In the opening match with D. U. the two teams tied with Murray and Grant copping two singles matches and these same two with Blodgett and Smith winning doubles matches. The squad lost four single matches to the Pioneers.

In the matches played at Boulder the Tiger net men lost 7-0. On the following day in a return match on the Quackenbush courts Colorado won again this time 5-2. The return match played with Denver went to the capital city squad 4-3.

At the close of the season "Twick" Grant was elected captain after two tied votes. He will be playing his second season. All of the squad is back in school this year with four of the men members of the sophomore class.

The Tiger mashie wielders, led by Captain Darwin Coit, opened their season on the Lakewood golf course in Denver coming out fourth in a quadrangular meet with C. U., D. U., and Mines.

The Broadmoor golf course was the scene of the next meet with D. U., C. U., Mines, and C. C. participating.

At the Wclshire Country Club the Tigers eked out a third place in a meet with C. U., D. U., Mines, and Wyoming. On the following week end the team managed to squeeze out fourth place with the same teams playing for the conference championship.

Frank Jasper was the lowest handicapped man on the squad, but had to drop out towards the last of the season due to scholastic difficulties. This year there are a lot of new aces in school and they have been practicing on the fairway in anticipation of a successful season. With the exception of D. Coit the squad will be intact for the current season.

WOMEN'S ATHLETIC ASSOCIATION

The W. A. A. is a member of the National Athletic Conference of American College Women, and its purpose is to promote interest in athletics among women. The constitution has been revised to make provision for awards to be presented those with outstanding ability in a particular sport. Any girl in school who is interested and proves herself worthy in some sport is eligible to apply for membership.

A hike is given every two weeks for members or any others who are interested. This winter the inter-class basketball meet was won by the Freshman girls, with the upper-class girls winning the swimming meet.

W. A. A. this year has sponsored a treasure hunt and picnic during Freshman Week, has had several parties and picnics, and an initiation banquet.

Representatives were chosen from the organization to represent Colorado College at the annual Play Day at Fort Collins in April.

Mollie Marriage, Elizabeth Gillett, and Anebel Ohrstedt were the three girls awarded sweaters for two years of outstanding service and achievement.

WOMEN'S ATHLETIC ASSOCIATION

The revival of the annual May Fete was a big step in the improvements that are being made in women's athletics. Last spring a beautiful pageant was presented by all the girls in the physical education classes, under the direction of Miss Marian Fezer, depicting the origin, development and uses of fire through all the ages. The pageant or legend was skillfully arranged and carried out by Miss Fezer and her able assistants, and the costumes were artistically designed. This year the May Fete was called "The Harp of Aeolus," and though fewer girls participated in it, it was very well done. The natural outdoor theatre in the Jungle is utilized for this occasion, lending as it does a lovely "wood-nymph" atmosphere to this spring festival.

All sorts of competitive games and tournaments are held from time to time during the year such as basketball, tennis, swimming, and quoitennis. Hiking facilities are unbounded, and all during the year hikes are conducted through all the beautiful trails and canons in the vicinity.

INTRAMURAL BASKETBALL

This year's Greek basketball title went to the Sigma Chis for the fifth time in seven years. The regular playing season ended with the Phi Gams and Sigma Chis tied for the lead with five wins and one loss. In the play-off series the Sigs won the first game 26-14 and the second game 22-21 in a hard fought battle.

Frank Jasper, Phi Delt, Ray Fries, Sigma Chi, Don Hibbard, Phi Gam and Allison Ray, Delta Alph staged a merry battle for high scoring honors with these four ending the season in the order named.

Better ball was played in the intramural loop this year than has been displayed for several years. This was probably due to the fact that the 'B' squad was kept going until the Greek season began with all the members of this squad eligible for competition.

The Rinky-Dinks composed of ineligible men and members of the Pi Kap fraternity organized a team to complete the even round. Their games were not counted in the final standings altho they lost but one game and that to the Fijis.

INTER-FRATERNITY TRACK MEET

The Betas again reigned champions over the other Greeks when they turned back the challenge of their closest rivals, the Barbs. The meet was held April 11 with the Betas amassing 53 points to the Barbs 30. Next in line were the Fijis with 26; the Sigma Chis with 26; the Pi Kaps with 12; the Phi Deltis with 7½; the Kappa Sigs with 6½; and the Delta Alphas with 4 points. Pomeroy, Beta, was high score man with 13 points, followed by Wolfe, Independent, with 11½; Beatty, Beta, with 11; Mihalick, Phi Gam, 11; Kehoe, Independent, 11; and Russell, Sigma Chi, 8.

INTER-FRATERNITY BASEBALL

Despite the early hour that the games were called some good games were turned in by the pajama clad men from the Greek groups. The Phi Gams won the American League title easily, while the Phi Deltis came through in the National loop. In the play off, the Fijis gained possession of their second intramural baseball championship in as many years by defeating the Phi Deltis 6-2.

The games were called at 6 A. M. and were played on the San Luis field. As in previous years pitchers were conspicuous by their absence and practically all of the games degenerated into slugfests with the outfielders getting plenty of exercise.

FALL COMPETITION CUP

The fall inter-fraternity competition includes tennis, horseshoes, cross country run, and swimming.

Jack Kintz won the cross country race for the third successive time to win the MacDougal trophy permanently. The Delta Alphas won the team race by placing Cotner, Poley, Burshears, and Robinson behind Kintz. The Phi Gams were second in team scoring by placing the next seven men behind the Delta Alphas with the exception of Wolfe, Phi Delt, who placed tenth. The Phi Delt took third in the team score.

By winning the doubles in horseshoes, runner-up in singles, and with the aid of third place in the swimming meet the Phi Delt were able to win the fall competition cup. The Independents were a close second and the Delta Alphas placed third. The Kappa Sigs won the swim meet easily with the Sigma Chis taking second place.

THE DIARY OF A FRATERNITY JEWELRY SALESMAN

Foreword

The true college spirit has no local setting. Rather, this peculiar trend of the modern youth complex has its outlet in a feeling which is universal in its applicability to any school throughout our country. A comprehensive knowledge of this force as applied to the campus of Colorado College then, could best be gained through the prospectus of a person having contact with different schools and whose deductions become manifest with reference to our particular educational institution. Behold then, the vagaries of Colorado College campus from the circumspect observation of a fraternity jewelry salesman. Dedications having become passé, we most fervently dedicate this section to those who will be most annoyed by having taken the time to read it.

First visit to Colorado College this year. Couldn't remember whether I was supposed to be a Kappa Sig or Beta at this dump. Flipped a coin—tails—followed the hunch and put on a Sig Chi badge. Wobbled over to the Phi Delt barn. Built in 1870 and looks it. Crap game on the ground floor, poker on the second deck, and heard a scream from the dorm. Buncha guys with more athletes than fraternity men. Founded by six drunks at Miami U. on Christmas morning during the throes of a Christmas eve hangover. Never heard of Phi Beta Kappa although the coach here is a Phi Bet and also was a Phi Delt down South. Hear he doesn't even speak to them on the street. Don't blame him. This lodge has the distinction of having the five most conceited men in school; Short, Young, Gray and two other fellows by the name of Stanley Barton Ryerson, Esq., basketball player of sorts, cut-up, and ladies' man par excellence. Young, commonly known as (Matrimony) Young, is probably the most sought after of the quintet, using as he does the personnel column of the Denver Post to further his marital ambitions. Their indoor sports consist of mouse trapping, bull throwing, and very poor bridge, Ryerson of course, excepted. Dutch president with Scotch tendencies and a Roman nose. Swell bunch. Bummed me for half a carton of smokes and all my grog. Sold two pins and lost two more in crap game. Visitors from third floor slid down bannister and we all went on a binge. My car, my money—they furnished the wise cracks.

Over to the Phi Gam boarding club, Hinkley chapter. Ninety-six candies and two or three foot ball players. Lace curtains on the windows and in the study rooms. Motto—one hundred pledges by Christmas. Must have had bell ringer experience, be able to get swacked on milk and toast, and slip in the Broadmoor ball room at least once a week. Mental average 14%, batting average—not bad. Assets—lodge covered by mortgages, ninety-six date books, unopened, and a well worn New England accent, a la Wrye, of the New England Wryes if you please. Initiation ceremonies dedicated to high school tactics; freak hair cutting featured. Noted for the two handsomest men on the campus—"Spic" Spicer and Bill Hinkley; for the president of the chapter, Bill Hinkley; for the outstanding athlete, Bill Hinkley; for smooth politics, Bill Hinkley; for the longest college career in the history of the school, for his cave man tactics with the women, Bill Hinkley; for his Adonis-like build and the nose bag he wears during a rain storm to keep from drowning, Bill Hinkley. Three cheers, and a few well rounded boos for Bill Hinkley. Sold, to the chapter, ninety-six sweetheart pins, brassiere model, and went on party with aforementioned two or three F. B. players—and others. 5:30 A. M.—sold six more sweetheart pins for others

Nothing to do so over to the old maids home. Zetaethian meeting in progress. Founded in 1926 and still in existence by the grace of God and Helen Goodsell. Had an eye on Gamma Phi Beta for years and view hasn't changed a bit. Organized for the purposes of having two Phi Beta Kappa chapters on C. C. campus and to a lasting belief in the hypnotic powers of Eddie (grandfather) Hartman. Woman haters by choice, man haters by force of circumstances; it makes a good excuse. Sold whole chapter pins and held initiation so could make it an even half dozen. Meeting adjourned by Laura Eloise Lilly in new fall hat. The clock also stopped. Joined the optimist's club and reserved a dozen Gamma Phi pins for 1976, subject of course to change to Alpha Phi, Alpha Chi, Chi Omega, Kappa Delta, or any one of nineteen others. Left in time to avoid singing of Society Anthem. Home, a bottle of listerine, and to bed.

Around the corner from anywhere you'll always find a Kappa Sig house. Gloom prevailed as the chapter roll had fallen off to only one hundred and fifty, placing the boys of the star and crescent on speaking terms with the Y. M. C. A. Motto: The debating squad, for Kappa Sigs only, and Coach, dear old coach Copeland, also a Kappa Sig. The only Kappa Sig activity on the campus. Also the only overpaid coaching job on the campus, and I hear its gratis. Baylis and Anderson are the only two members spoken to, outside the house; inside they don't even speak to each other. The only conversation they ever hear is Don Milque-toast Smith talking to himself. The chapter was once known to initiate without having three quarters of the pledges turn in their buttons the night before. Those who were unlucky enough to get a pin, immediately put it out on any girl who was unlucky enough to be around. Are noted for (1) house, resembling Sale model No. 14. (See any catalogue.) (2) Throwing the sorriest parties on the campus, (they ought to throw 'em in the house, the beasts). (3) Their 100 per cent adherence to the old standby: "Quantity not quality." (4) Their undying hatred of Sigma Chi and Beta (and vice versa). (5) Their pathetic optimism. Did I sell any Jewelry? Please! At the Kappa Sig house?

JANUARY 16TH

Stumbled over nine Phi Bets, six Sig Taus and a fraternity man getting in the door. Must have been the Delta Alpha house. (The fraternity man later turned out to be a visiting greek.) Requirements for initiation; white; must wear glasses, be able to carry one to three dozen books to create studious impressions, have 99 plus average and be able to carry on semi-intelligent conversation with Miss Bramhall. (One man initiated in last five years Now in Brady's hospital.) Fraternity grip, fountain pen, three pencils and a comptometer. Petitioned Sig Alph until Lambda Chi was organized, now have hopes of someday joining Y. M. C. A. Pledges (both of them) wear De Molay pin under button to prove they are fraternity men. Barbs with big ambitions living together in a rooming house. Have one dance some years and some dances no years. One of the members was once suspected of having a date but the shock was so great that such practices were not encouraged in the future. (The girls don't like me either). A basement organization in a three story house. Sold fifteen Phi Beta Kappa pins and no Delta Alph pins. Oh well, the Phi Bet pins are worth more anyway. Depressing visit.

FEBRUARY 22ND

Not much dough for hostelry so made the Sig Chi white elephant. Met me at the door with request for donation for new house. Gave sign and pass word. Same as that jew fraternity up in Boulder. Not a bad house for second hand lumber and third hand mortgages. Only way to get pledges over seven years old. Assets—none. Debts—plenty. Blackballed one man for pledge-ship in 20 years. He died of old age the next day. Fraternity organized by six castoff Dekes; policy hasn't changed much since then. Meeting opened with a reading of the chapter debt, continued with same and closed with ditto. Hat was passed for down payment on furniture. Hat stolen. Slogan of the chapter—Every man a pin out. Juan and Mack Reed, members of the mutual admiration club of Reed and Reed do their act. A financial genius and experienced mustache trimmer by the name of Weaver figured a way to pay all of the chapter debts, finance another house, and have enough left to retire on. Raffled off a pin on credit to stimulate business and sold none. Ended up with ten less than I entered with just the same. Van from fire sale drove up with furniture for open house. Everyone invited but the Kappa Sigs. Attendance consisted of a nigger doorman and six bill collectors. Sounds like the Kappa Sigs came after all.

"We don't smoke, we don't chew and we don't—go with girls that do. Organized as a mutual admiration club in 1903, haven't been heard of since. Small town club with big town ideas. Blackberry in a pan of milk proposition. Flower—daisy, members—also dazey. Featuring big shots Herbert the first and second; Innocent Pitts, the itch girl; Dot Chamberlin, (pardon the cold); Killer Watts and Max Moore (Fellows). Requirements for pledging include: one nose tilted to angle of 45 degrees, one line or feeble attempt at same in order to chisel party invitations, waist 14, neck plenty (very subtle) feet ditto (not so subtle), ninety horse power exterior on a flat tire, and daily prayers for the establishment of Kappa Kappa Gamma. Material unlimited—apparently. Sold a pin and fifteen subscriptions to the Christian Science Monitor. (C. O. D.)

Barged over to the Beta Barn to try to do a bit of business. A glad hand gink by name of Jencks greeted me at the door and took my hat but somebody recovered it in time. Bunch of boys who amuse themselves singing march tunes and calling the Sig Chi's dirty names. Fellow called Peterson, activity man, stopped long enough to fondle the gaudy selection of massive watch-charms, but found he had all fifty-seven of them already. Chapter famous for two football players, Mr. Dorothy Smith, and an ape by name of McGrory who wanted to trade pins with me. Couldn't because of M. A. W. initialed on back. Nowels priced some Phi Delt sweetheart pins, and somebody got me into a lousy poker game. Lousy night, lousy luck. Lost all my ough-day, all my whis. and half my stock. Home, flat broke, and cold sober.

New Year's hangover and to the College observatory. Contemporary in mourning for the broken lens in the telescope—and on Saturday night of all nights too. No chance to see Venus, or Adonis either. Origin of Club questionable, uselessness of origin unquestionable. Established in 1899—one of the founders graduates this year. Colors red and white. White for purity. Al Smith for president, or anything else to change the subject. Bids for fame with Virginia Patterson and her new and different angle on the foxtrot. Also Marjorie Gilbert. I've forgotten the name of the other member. Total loss on campus but house makes nice background of days that used to be. No business but filled date book for future reference.

No kiddies, this is not Mitzi Green doing one of her imitations. Could you ever forget the saffron vintage of that beezzer? Raymon Navarro Don Juan Frankenstein Lowell was caught by the Nugget photographer in this characteristic pose. In his pocket our hero always carries an eye dropper as well befits so limited a capacity. He playfully built a block house and played horsey as he outlined his various unfortunate ventures in the field of romance. And there was a tear in his eye as he said good-bye with these kind words, "It's tough for a guy like me to waste my talents in this country village, but if I'd leave now half the girls in C. C. would quit school." Great little joker, this Lowell kid. His many admirers are thinking of running him for the city limits.

Jewelry business takes a jump. Minerva finally got Delta Gamma out of the grab bag. Oldest society on the campus. Been out of date or dates for ten years. Twenty of thirty reasons why country girls oughta stay on the farm. Pitiful examples number: Frances Rockefeller Mellon Pierpont Ford Willis, four feet eight inches of financial ambition, Nadine Kent win another beauty prize unless the judges wear smoked glasses, Betty Landsdowne on the floor every other step when she dances that way, Night Club Nettie Prather who ruined a good Pan Pan act, Petite Ruth “just call me Steve” Stephens, with the widely developed personality. Political club, but cut off nose to spite face—net results zero. But look at the publicity. Go in big for limelight, spotlight, moonlight, light wines, and no lights at all. Sold ten D. G. pins. What a difference a few pence make—when they’re sorority pence. (Lousy pun.)

While it wasn't as important as the Geneva conference there was a solemn gathering of male members of the Colorado college student council with Chief Hugh D. Harper and Inspector I. B. Bruce of the police department at the office of the chief this afternoon, which was expected to last until night. The "conference" was to determine the identity of the crowd of college youths who last night commandeered a street car at Uintah street and Nevada avenue, forced Omer Booth, the motorman, off the car and then proceeded to strip it of everything that might conceivably make a good souvenir.

EDITING

Getting out a year-book is no picnic.
If we print jokes, readers say we are silly.
If we don't they complain we are too serious.
If we write all our own stuff, they say we lack
variety.
If we clip from other publications, we are too
lazy to write.
If we stick to the desk, we ought to be about
digging up stories.
If we are out digging up stories, we are letting
things go hang in our office.
If we don't print contributions, we aren't
showing proper appreciation.
If we do print them, the book is filled with
junk.
Like as not, some one will even say we swiped
this from the Georgia Cracker.
We did.
